Experience

Morning Anchor, KITV, Honolulu, HI

August 2016 – Present

Anchor/Producer/Reporter, KERO, Bakersfield, CA

September 2013 – July 2016

- Weekday morning anchor at 23ABC; anchored 4:30-7am newscasts & produced and anchored 11am newscasts every weekday
- Began as debut anchor for Kern County's only local weekend morning newscast; which gained the highest ratings in the market
- Multi-media journalist: enterprised, planed, shot, edited and wrote own stories, and went live with them

Morning Anchor/Producer, KEPR/KIMA, Pasco, WA

August 2011 – August 2013

- Professionally anchored and independently produced weekday morning newscasts, delivered news scripts that are clear and concise for viewers, while providing appropriate unscripted content
- Composed newscast with fresh, interesting content and updated all previous stories
- Selected and edited video for use in newscast
- Completed daily cut-ins before newscast that aired twice an hour after my morning show, during the CBS Early Show
- Updated website and other social media sites with news stories

Fremont County Bureau Chief Reporter, KCWY, Casper, WY

August 2009 – August 2011

- Independently found, shot, wrote, edited and tracked two stories on a daily basis
- Extensive use of Inews to write scripts and stack shows
- Anchored, live shots, and produced at the KCWY 13 station
- Updated KCWY and networking websites with news stories
- Covered the entire western half of the state as a one-man-band
- Utilized FTP sites and VPN to send in stories to station

Reporter/Anchor/Producer, San Francisco State University

January 2009 – June 2009

- Produced weekly news packages to be aired on Access SF Channel 29
- Anchored news stories, from world-wide happenings to local Bay Area stories
- Wrote and edited news scripts

- Shot and edited news stories independently
- Produced the newscast and program segments

Public Relations/Promotions, Energy 92.7

June 2008 – May 2009

- Communicated and informed listeners of the happenings and current events of the San Francisco bay area
- Participated in live on-air call ins
- Assisted in flourishing San Francisco's locally owned and independent dance radio station in promoting and uniting listeners all around the bay area

Production Assistant/Intern, Pacifica Community Television

June 2008 – May 2009

- Assisted in the production of multiple television shows on a weekly basis for public access
- Worked multiple positions in the production process, including floor manager, assistant producer, technical director, video tape operator, assistant director, and time keeper.
- Demonstrated on-camera abilities as talent for multiple shows, serving to inform and unite the community of Pacifica through public access television

Graduate Assistant, San Francisco State University

January 2008 – May 2009

- Assisted professors in undergraduate courses Media Aesthetics and Creative Arts 101
- Delivered lectures pertaining to a specific element taught in each class: Video and Audio Synchronization in Media, and Ethnicity and White Privilege
- Graded student assignments, both written and on online using Blackboard Academic Suite
- Researched information and advised professors on what learning strategies and choices might be best for the students

Student Assistant, University of California, Riverside

September 2005 – June 2007

- Researched for strategic plans and budget management
- Helped maintain the Chancellor's webpage
- Communicated with other departments, inside and outside of the university, in obtaining information for the research analyst

Awards

- 2013 Best Morning Newscast Emmy Nominee
 - For the second straight year in a row the Action News Morning Show, in which I produced and anchored, was been nominated for a regional Emmy for Best Morning Newscast
- 2012 Morning Newscast Emmy Nominee
- 2011 Best Reporter by the Wyoming Association of Broadcasters
