KMGH, Denver, CO

January 2021 – Present

Reporter/MMJ

KVUE, Austin, TX

January 2018 – December 2020

**Weekend Evening Anchor/
Reporter/Digital Producer**

- Used research skills to find daily exclusive enterprise content that leads the nightside newscasts
- Co-anchored the 5:30 p.m. and 10 p.m. newscasts on Sundays and oversee reporter stories and producer rundowns
- Worked as a member of the digital team once a week to produce multiple stories a day for KVUE.com, including original content, posts to social media using SocialNewsDesk, clips to newscasts, and posts to YouTube
- Wrote in-depth web stories that include multimedia content, extra photos, videos, graphics, and embeds, to enhance viewer's experience beyond the TV story when reporting
- Worked alongside producer and executive producer to use innovative tools, like green-screen explainers, to enhance story coverage
- Represented station at community events, including hosting the station's first-ever TV and digital coverage of Austin Pride parade

KXXV, Waco, TX

January 2016 – January 2018

Weekend Morning Anchor/Reporter

- Solo anchored, produced, and boothed two half-hour shows on Saturday mornings and an hour-long show on Sunday mornings
- Shot, wrote, and edited VOSOTs and PKGs for weekday morning, midday, and evening shows three days a week
- Setup solo live shots for multiple hits throughout the morning and midday shows
- Wrote web stories, posted to personal and station's Facebook and Twitter, and sent push alerts to app
- Utilized social media to enterprise stories, create contacts and sources, and to further reach audiences
- Executed digital-first strategy by submitting web stories before the broadcast stories air
