EXPERIENCE

Gray Television Washington News Bureau, Washington, D.C.

2015 — Present

Washington Correspondent

- Washington correspondent covering complex issues in Congress, the Supreme Court, the White House and campaigns
- Lead coverage for 'Listening to America' series, traveling across the country, reporting on a variety of issues for voters
- Reports live and taped stories for 115 stations across the country, most with a number 1 or 2 rating in their respective markets
- Developed a rolodex of key player sources in politics, from Congress to the White House and at the local level
- Consistently in contact with and interviewing the most impactful officials, including presidential candidates, senators like Minority Whip John Thune and Lisa Murkowski, house members like Minority Whip Steve Scalise and Mike Johnson, White House aides, and hundreds more newsmakers
- Works largely independently to find footing in a tough journalism city, building trust with sources and newsrooms of all shapes and sizes throughout the country, and producing ready-for-air stories on a wide variety of complex issues
- Works as a one-man band (shooting, writing, editing)

WHDH-TV 7 News, Boston, MA

June 2014 — August 2014

News Intern

- Worked at the assignment desk, gathered an in-depth understanding of the news industry
- Worked closely with reporters, anchors, producers, and directors at an NBC affiliate
- Assisted around the Boston Area with interviews and live-shot production
- Developed news stories daily by contacting/interviewing parties related to the subject
- Performed on-cam stand-ups to develop experience with a professional news crew/reporter

ZoneOneRadio, London, UK

February 2014 — May 2014

Intern

- In charge of a weekly sports-radio show for an on-line station in London
- Interviewed athletes and renowned journalists around the city and in-studio
- Edited shows using Adobe Audition
- Handled social media in an attempt to develop a larger following

Comcast SportsNet Bay Area, San Francisco, CA

May 2013 — August 2013

News Intern

- One of few underclassmen given position
- Logged and located live games/interviews
- Hands on experience in producing, editing, anchoring, and reporting in studio and at games
- Wrote highlights for a nationally recognized sports-news program, SportsNet Central
- Anchored a mock version of SportsNet Central, developing on-camera presence
- Worked in grassroots marketing

ESPN STAR Sports, Singapore

May 2012 — August 2012

Production Intern

- Edited video, wrote scripts for shows such as Score Tonight, ESPNEWS, and SportsCenter
- Covered the 2012 Olympic Games, writing about multiple events each night
- Voiced written material for ESPNEWS which circulated to 24 countries in South East Asia
- Developed fluency in Omnibus Headline and Final Cut Pro
